DAY 1 · WEST

Le Morne Public Beach

Nothing else is planned today, by design.

ARRIVAL DAY

HONEYMOON

SUNSET

16:00

BEACH

Le Morne Public Beach

2 HRS

Drive straight here from the airport. The mountain rises behind the sand and the lagoon is glass. Get in the water within an hour of arriving — it resets everything.

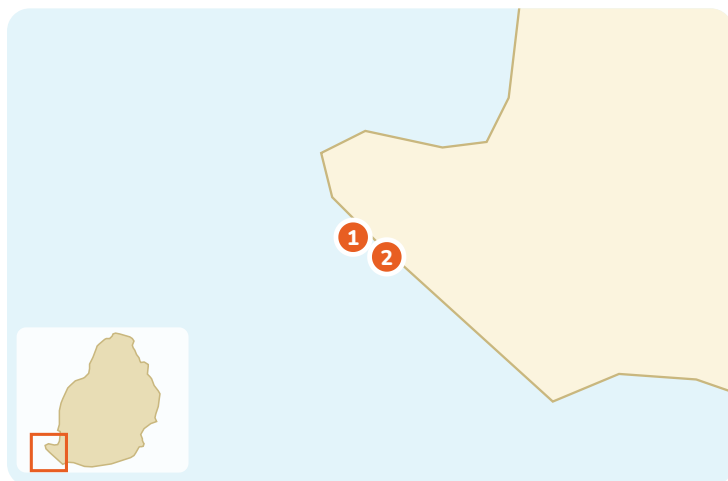

18:00

SUNSET

Sunset at Dinarobin, Le Morne

SUNSET

Whether or not you are staying here, this stretch of coast at sunset is the introduction the island deserves. Nothing else is planned today, by design.

ON THE MAP

- 1 Le Morne Public Beach
- 2 Dinarobin, Le Morne (sunset)

DAY 2 · SOUTH WEST

La Prairie Beach

This is the day you will remember for what you did not do.

EASY DAY

HONEYMOON

SUNSET

10:00

BEACH

La Prairie Beach

3 HRS

Shallow, warm and almost always empty, with Le Morne Brabant reflected in the water at the right hour. This is the quiet alternative to the main beach.

15:00

WALK

Le Morne, the long view

2 HRS

Walk the coast road with the mountain on your shoulder. No agenda.

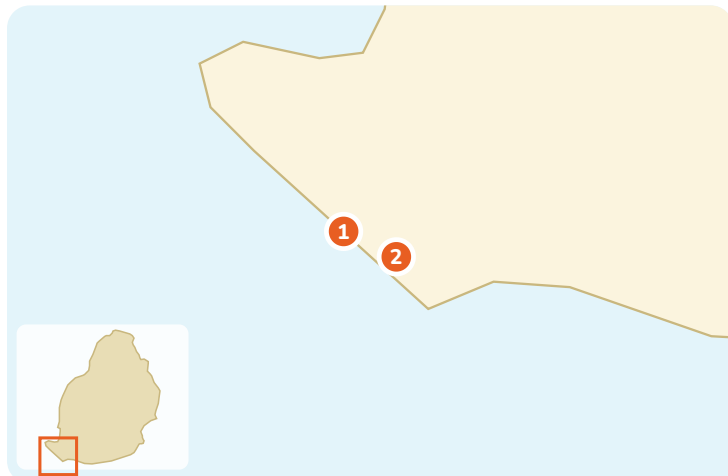

17:45

SUNSET

Maconde Viewpoint

1 HR

Twenty minutes south. A road carved around a headland with the ocean below and the sun dropping straight into it. Take a drink and stay a while.

ON THE MAP

- 1 La Prairie Beach
- 2 Maconde Viewpoint

DAY 3 · WEST

Crystal Rock and Île aux Bénitiers

Book a private boat rather than a shared one. The difference is the whole day.

HALF DAY

HONEYMOON

WATER SPORTS

BOOK AHEAD

09:00

BOAT

Crystal Rock and Île aux Bénitiers

HALF DAY

A rock standing alone in turquoise water, then a beach landing on an island with grilled lunch. Book a private boat rather than a shared one — the difference is the whole day.

15:00

FISHING

Case Noyale

45 MIN

The fishermen's embarkation point on the way back north. Unpolished, working, and beautiful in a way the resorts are not.

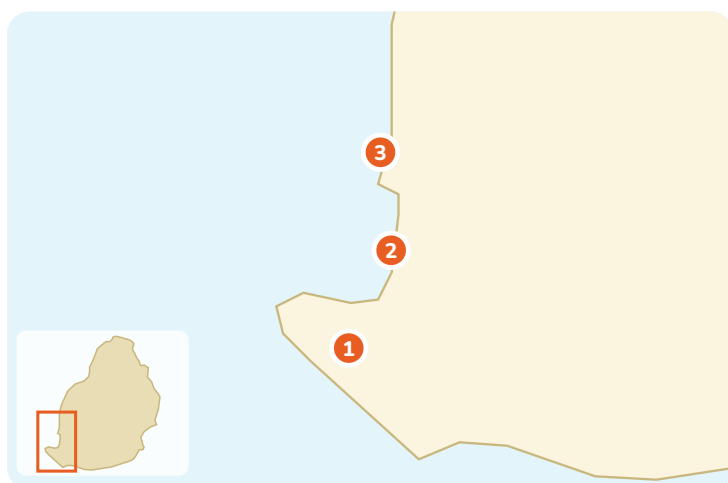

17:30

SUNSET

La Preneuse Beach

SUNSET

The most tranquil sunset on the west coast. Martello tower at one end, almost nobody at the other.

ON THE MAP

- 1 Crystal Rock and Île aux Bénitiers (boat)
- 2 Case Noyale
- 3 La Preneuse Beach

Tamarin Salt Pans

Disused now, but the geometry of the pans against the mountains is extraordinary. Five minutes from the road and almost always empty.

17:00

SUNSET

Tamarin Beach

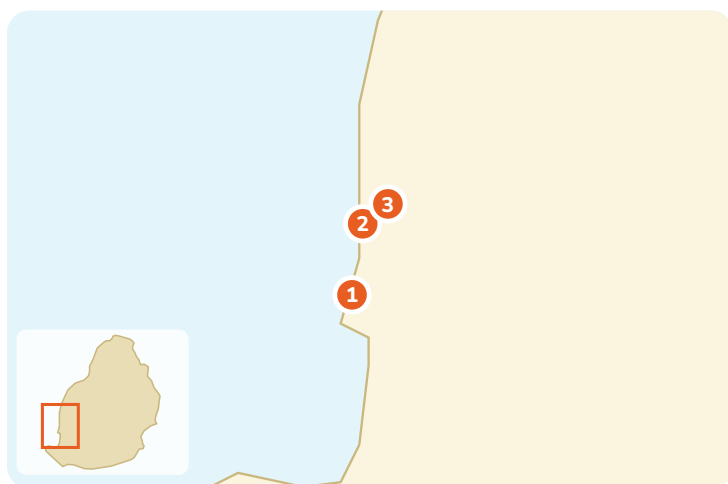

SUNSET

Surfers, a river mouth, and a sunset the whole village turns out for. Casual, local, unfussy — a good counterweight to the resorts. Or for a sunset dinner, Moon Bar'k, a floating catamaran lounge on the Tamarin lagoon.

45 MIN

A coastline of smooth black stones the sea rolls and clatters through. Nothing to do here but listen to it.

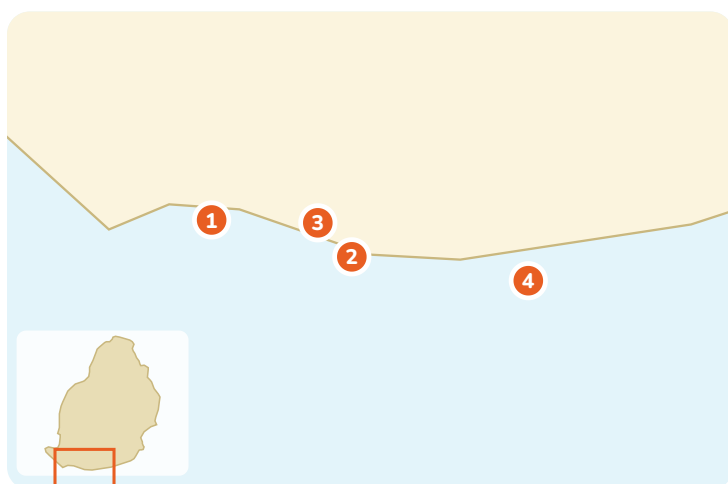

17:30
